The projects that this group has done in Larestan is as follows:

The assignment of more than 15,000 land plots in towns and villages, with the allocation of a large amount of government assets and a substantial amount of Lending, eventually became the homeowner in the past six years in the form of sixty residential townships.

The construction of about 4000 residential houses with an average of 120 square meters of housing in the style of Mehr today is called low-cost houses with a minimum price without inflation. Over 6 years, about 4,000 villas with an average floor area of 400 square meters were built. All units are furnished with the best of the day's market goods.

The construction of 130 km of Shiraz-Lar road, which the government ultimately approved as the main road, resulted in a 5-hour shortened Shiraz-Lar-Bandar-Abbas route and a traffic lane of 100 times. This has led to economic and social prosperity in the region, an increase in the population of the Larestan region and a decrease in negative migration.

# Larestan Airport

Creation of Larestan International Airport (obtaining a license for foreign flights and turning Larestan Airport into an international airport at the same time. Fanous General public service activities in the construction of the second and third runways with the ability to board Airbus aircraft during a 4-year period) which has been more than 13,000,000 passengers have been moved per year in the form of 2,100 domestic flights and 2,800 foreign flights per year. This airport ranks fourth in terms of domestic flights among the country's airports and the second airport after Imam Khomeini.

## Lar Bandar Abbas Railway

The construction of the Lar railway to the Bafaq-Bandar Abbas railway, 143 km long, with the aim of finding the center of Lar, which is ready for 40 km, and 100 km of which was done by removing all the existing hills and hills. Fortunately, the government has approved the Shiraz-Lar-Bandar-Abbas route and is currently working on the axis. It is clear that after completing the construction and operation of these railway lines, connecting the Tehran-Isfahan-Shiraz-Jahrom railways to Lar and Bandar Abbas, Yazd-Sirjan-Kerman-Mashhad, Central Asia and Assalouyeh to Lar Connected and Lar will get.

## Larestan business centers

The construction of Imam's market with a length of 380 meters with two Qaisariyah and 260 shops in the style of traditional Iranian market and in some kind of job creation for at least 1,200 people. The construction of 600 large shops out of the market and thus the creation of work for 1,800 people.

The construction of specialized hospital and Imam Reza Medical Sciences Complex with 240 hospital beds that are the late Haj Mohammad Kargar Bani of this hospital.

Construction of Azad University and Noor Lar.

Build Lar Highway.

Construction of the Larestan Industrial Park, the only industrial city in Iran that has an Internet connection with an intelligent environment Transmitting fiber optics from Kuwait and using it in the Larestan telecommunications network.

Design and construction of a new city of Larestan with an area of five thousand hectares.

Construction and dumping of Salman Fars dam and plumbing from dam to Lar reservoir.

More than 800 projects in different villages of Larestan include asphalt roads of villages, electricians in villages, water supply, telephone setup in the form of digital devices, 2540, 5120, 10, 000 and 50000, establishment of schools, boarding schools, universities, maternity hospitals Emergency centers, sports halls and a lot of development work in the villages and towns of the region.

Tracking and trying to set up various television channels in almost all urban and rural areas.

Construction of infrastructure and two-way road Khavaran, Jahrom, Larestan with a length of 200 km.

Prepare a 9,000-seater stadium in accordance with the world's latest standards.

Construction of large indoor ammunition in Larestan canyon.

Creating a specialized jewelry center from design to production.

All of the above is the cv of 40 years of service of Shahr Jadid Group of Larestan to the people of this region, and we are proud to announce that with the grace of God and the grace of God, we have been able to be trustworthy, brotherly, and equal throughout these 40 years in this institution. to create

Thanks

Chairman of the Board  
Mohamad Reza Parivar
